

# First Sound Fluency Practice

Created by Kinder Karla

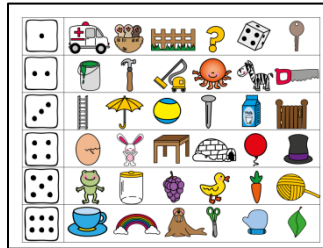

Thank you for downloading this freebie! I hope that this helps your students with First Sound Fluency in preparation for the DIBELS test.

To prepare, print the pages and laminate for durability or place in a sheet protector.

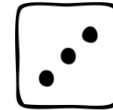

All you need to play is a dice!

# I Can...

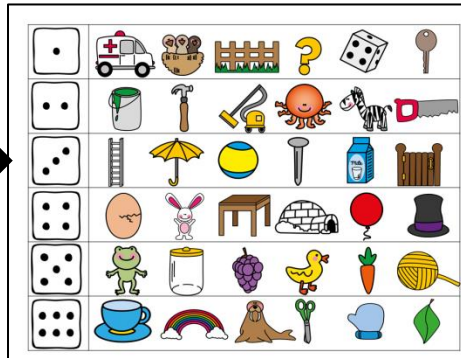

Choose a card.

Roll a dice.

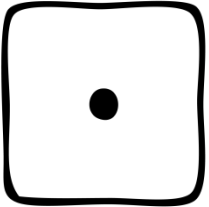

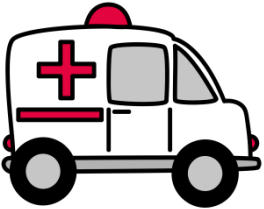

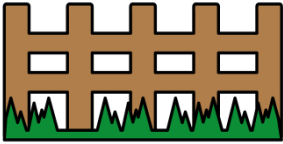

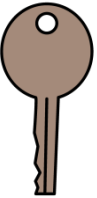

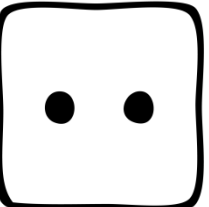

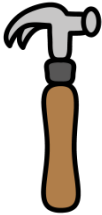

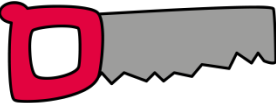

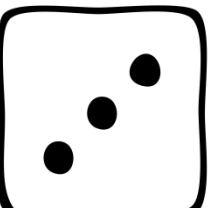

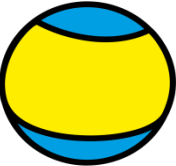

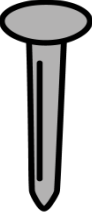

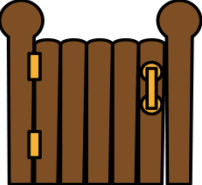

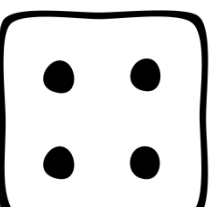

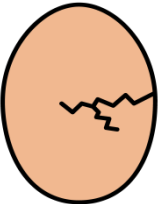

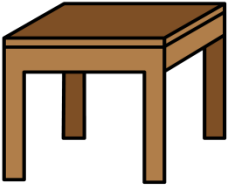

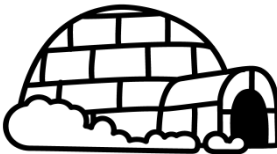

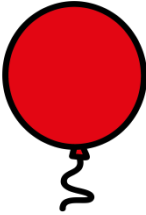

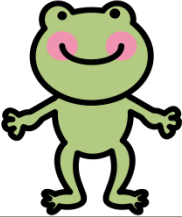

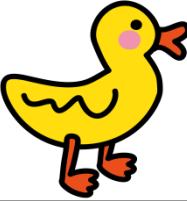

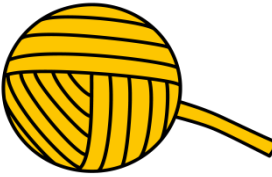

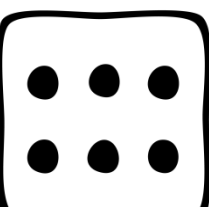

The number on the dice tells you what row to read.

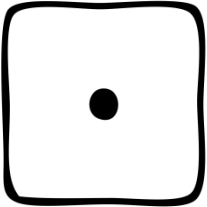

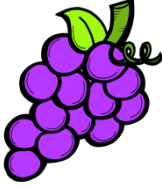

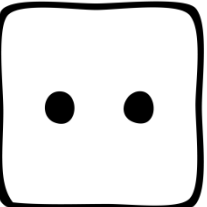

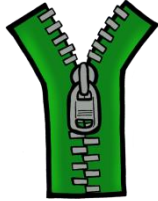

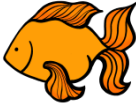

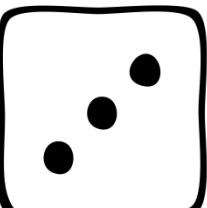

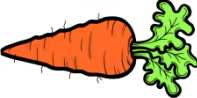

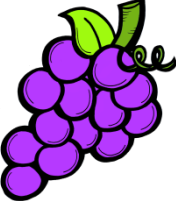

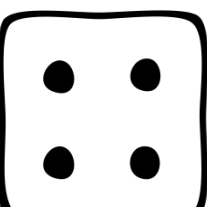

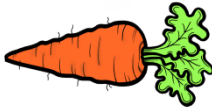

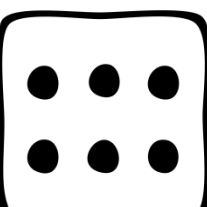

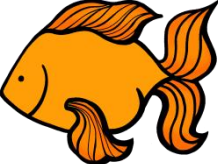

Read the pictures. Point to each picture and say the beginning sound for each picture out loud to your partner.

When you have finished the row, let your partner have a turn.
